

TOWN OF BEEKMAN TOWN BOARD MEETING
Minutes for Tuesday September 10, 2024

The Town of Beekman Board met for a Town Board meeting on Tuesday September 10th, 2024. The meeting was called to order by Supervisor Covucci at 6:02PM. The following members were present: Councilman Capollari filled in for Supervisor Covucci, Councilman Battaglini, Councilwoman Wohrman and Councilman Lemak.

Also present were the Town Clerk – Laureen Abbatantuono

Councilman Capollari led the Pledge of Allegiance and pointed out the emergency exits and called for a moment of silence for all those who have served our Country.

Councilman Capollari went over the evening's agenda items and introduced the Beekman Rec Director Dani Plastini who gave a presentation on the 2024 Summer Activities. The 911 Memorial Service will be held on 9/11 at 6:00PM at Remembrance Park.

Resolutions were read by Town Board members:

General Board Comments: Councilman Capollari, the Dutchess County Sheriff's office will be here on Tuesday September 24 to address some of the recent happenings that have been going on in the town.

There were questions raised by residents regarding the date and time that the Supervisor will address comments and concerns on the Fiscal Management Analysis that was mentioned at the July 23rd Public Hearing. As per Councilman Capollari, it will be addressed at one of the September meetings.

Written Comments on Agenda items: NONE

Public Comments on Agenda items: NONE

Public Comments: Kate Blake 231 Clapp Hill Road, thanked Dani for her presentation and appreciated it. The board, called the resident to the July meeting 2 months ago with the intention of providing information regarding their proposal for a Department of Public Works headed by appointed rather than elected staff. At that July meeting no concrete information was provided as advertised despite many dozens of residents clearing their schedules and attending. There was no SWAT analysis there were no Budget figures, nothing quantitative whatsoever with which to evaluate our decision. When asked at that meeting when the fiscal and managerial analysis that the board indicated that they performed, when that would be available we were told in July quote a couple days and quote after the new website comes out. Well a couple of days has now turned into a couple of months and the promise made by the board that we'd have this information and plenty of time has evaporated. I stand here before you once again to ask for the fiscal and managerial analysis referenced in the June board meeting which is critical to us as residents to be able to make

informed decisions on important town topics. As elected officials your duty is not just to make decisions but to ensure that the community that you serve is informed included and confident that these decisions are based on careful and transparent analysis the refusal to produce this analysis for a period of months or worse, the possibility and strong implication that it does not exist raises serious questions about the Integrity of this process and the Integrity of our board members and attorneys who sit here before us tonight. Thank you for your time I hope to see this matter resolved with the transparency and accountability that we are owed.

Councilman Capollari, made a motion at 6:03PM to go into Executive Session to discuss matters relating to page 45 of the Town Law Manual which is medical financial credit or employment history of a particular person or corporation or relating to appointment promotion demotion discipline or removal, NO action will be taken. Seconded by Councilwoman Woehrman, All in Favor, AYE.

The Town Board came back from the Executive Session, NO ACTION TAKEN. Councilman Battaglini made a motion to adjourn the Town Board meeting at 8:05PM, Seconded by Councilman Lemak, All in Favor, AYE.

Respectfully Submitted by Town Clerk
Laureen Abbatantuono
