**RESOLUTION 04:14:26-14**

**Resolution of the Town Board of the Town of Beekman  
Authorizing Preliminary and Incidental “Soft Costs” for the  
Establishment of the Stone Ridge Estates Sewer District**

WHEREAS, Stone Ridge Estates is an improved, eighteen (18) lot subdivision located in the Town of Beekman (the “Town”) pursuant to plat titled “Subdivision Map for Stone Ridge Estates” and filed in the Office of the Dutchess County Clerk on February 25, 2014 as Map No. 12468; and

WHEREAS, the developer of Stone Ridge Estates, O’Donnell & Sons, Inc., formed the Stone Ridge Estates Sewer Corporation (the “Sewer Corporation”) pursuant to the New York State Transportation Corporation Law; and

WHEREAS, pursuant to an agreement titled “Agreement With Respect to Sewer and Water Services Four Corners-Stone Ridge Subdivision East Fishkill Beekman” dated November 20, 2013 (the “Agreement”), between the Town of East Fishkill (“East Fishkill”) and the Sewer Corporation, East Fishkill agreed to receive sewage to its Four Corners Sewer District from the Sewer Corporation, and the Sewer Corporation agreed to collect the fees from the homeowners in Stone Ridge Estates and to pay them to East Fishkill; and

WHEREAS, the Sewer Corporation has been in arrears regarding paying the fees East Fishkill since the year 2018; and

WHEREAS, East Fishkill and the Stone Ridge Estates Homeowners Association (the “HOA”) conducted a meeting to discuss the amounts in arrears and the necessary course of action to resume collecting fees and maintain sewage collection services to Stone Ridge Estates; and

WHEREAS, East Fishkill has no statutory authority to levy and collect fees for sewage disposal within the Town; and

WHEREAS, the Town Board of the Town of Beekman (the “Town Board”) may establish a sewer district pursuant to Article 12-a of the New York State Town Law (the “Town Law”) and, once established, will have the statutory authority to levy and collect sewage disposal fees from the homeowners in Stone Ridge Estates; and

WHEREAS, the Town Board is considering the establishment of the Stone Ridge Estates Sewer District (the “District”) pursuant to Article 12-a of the Town Law; and

WHEREAS, in connection with the establishment of the District, it is necessary and appropriate for the Town to incur preliminary and incidental “soft costs,” including, without limitation, engineering, legal, financial advisory, surveying, mapping, environmental review, SEQRA compliance, publication and mailing expenses, costs of consultants, costs associated with the preparation of maps, plans, and reports, and the allocable costs of services provided by Town officers and employees for work directly related to the establishment of the District; and

WHEREAS, the Town Board finds and determines that such preliminary and incidental expenses are of a capital nature and may be financed and reimbursed in accordance with Town Law Sections 202 and 209-b and New York State Local Finance Law (the “Local Finance Law”) Section 11.00; and

WHEREAS, the Town Board further finds it necessary to authorize the advance of Town funds for such purposes, subject to reimbursement from the District, if and when established, and to provide that such amounts shall be assessed, levied, and collected upon the benefited properties within the District in the same manner as other capital costs of the District; and

WHEREAS, the Town Board further determines that this resolution shall be subject to a permissive referendum as required by Town Law Section 209-b.

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Beekman as follows:

1. Authorization of Preliminary and Incidental Expenses. The Town Board hereby authorizes the incurrence of preliminary and incidental expenses relating to the proposed establishment of the District, including, without limitation: (a) engineering, surveying, mapping, environmental review, and preparation of maps, plans, and reports; (b) legal and financial advisory services; (c) publication, mailing, and notice expenses; (d) costs of consultants retained for technical, environmental, or financial analyses; and (e) the allocable costs and expenses associated with services provided by Town officers and employees directly attributable to the planning for, and establishment of, the District.
2. Appropriation; Maximum Amount. The Town Board hereby appropriates the maximum sum of Twenty-Five Thousand Dollars (\$25,000) to pay such preliminary and incidental expenses. The Supervisor is authorized to allocate and expend such appropriations for the authorized purposes and to maintain proper accounts thereof.
3. Capital Nature of Costs. The Town Board hereby determines that the preliminary and incidental expenses authorized herein are of a capital nature in contemplation of the establishment of the District and may be financed, reimbursed, and assessed in accordance with Town Law Sections 202 and 209-b and Local Finance Law Section 11.00.
4. Advance of Funds; Reimbursement. Pending the establishment of the District and the financing of the capital project, the Town Board authorizes the advance of Town funds from the General Fund to pay the costs authorized herein. If and when the District is established, the Town shall be reimbursed in full from District funds or from the proceeds of bonds or bond anticipation notes issued for District purposes, for all such preliminary and incidental expenses, including the allocable costs and expenses of services provided by Town officers and employees.
5. Assessment Against the District. Upon the establishment of the District, all preliminary and incidental expenses authorized herein, including compensation and allocable overhead for services rendered by Town officers and employees in connection with the establishment of the District, shall be deemed capital costs of the District and shall be assessed, levied, and collected upon the properties within the District pursuant to Town Law Section 202, in the same manner and at the same time as other District assessments.
6. Consistency with Financing Statutes. The expenditures authorized herein are intended to be reimbursed from the proceeds of obligations authorized for the capital improvements of the District in accordance with New York State Local Finance Law Section 11.00, subject to compliance with all applicable requirements of the Local Finance Law.
7. Administrative Authorization. The Supervisor, with the assistance of the Town Attorney, Town Engineer, and any retained financial advisor, is authorized to take such actions and execute such documents as are necessary or desirable to carry out the intent of this resolution, including maintaining records sufficient to support reimbursement and assessment.
8. Permissive Referendum. The Town Board has determined that this resolution shall be subject to a permissive referendum as required by Town Law Section 209-b.
9. Notice of Permissive Referendum. The Town Board hereby directs the Town Clerk to publish a Notice of Permissive Referendum within ten (10) days of the date of this Resolution.
10. Severability. If any provision of this resolution is adjudged invalid or unenforceable, such judgment shall not affect or impair the validity of the remainder of this resolution, which shall remain in full force and effect.

This resolution shall take effect immediately upon its adoption.

WHEREAS, East Fishkill and the Stone Ridge Estates Homeowners Association (the “HOA”) conducted a meeting to discuss the amounts in arrears and the necessary course of action to resume collecting fees and maintain sewage collection services to Stone Ridge Estates; and

WHEREAS, East Fishkill has no statutory authority to levy and collect fees for providing water within the Town; and

WHEREAS, the Town Board of the Town of Beekman (the “Town Board”) may establish a water district pursuant to Article 12-a of the New York State Town Law (the “Town Law”) and, once established, will have the statutory authority to levy and collect fees for providing water from the homeowners in Stone Ridge Estates; and

WHEREAS, the Town Board is considering the establishment of the Stone Ridge Estates Water District (the “District”) pursuant to Article 12-a of the Town Law; and

WHEREAS, in connection with the establishment of the District, it is necessary and appropriate for the Town to incur preliminary and incidental “soft costs,” including, without limitation, engineering, legal, financial advisory, surveying, mapping, environmental review, SEQRA compliance, publication and mailing expenses, costs of consultants, costs associated with the preparation of maps, plans, and reports, and the allocable costs of services provided by Town officers and employees for work directly related to the establishment of the District; and

WHEREAS, the Town Board finds and determines that such preliminary and incidental expenses are of a capital nature and may be financed and reimbursed in accordance with

Town Law Sections 202 and 209-b and New York State Local Finance Law (the “Local Finance Law”) Section 11.00; and

WHEREAS, the Town Board further finds it necessary to authorize the advance of Town funds for such purposes, subject to reimbursement from the District, if and when established, and to provide that such amounts shall be assessed, levied, and collected upon the benefited properties within the District in the same manner as other capital costs of the District; and

WHEREAS, the Town Board further determines that this resolution shall be subject to a permissive referendum as required by Town Law Section 209-b.

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Beekman as follows:

1. Authorization of Preliminary and Incidental Expenses. The Town Board hereby authorizes the incurrence of preliminary and incidental expenses relating to the proposed establishment of the District, including, without limitation: (a) engineering, surveying, mapping, environmental review, and preparation of maps, plans, and reports; (b) legal and financial advisory services; (c) publication, mailing, and notice expenses; (d) costs of consultants retained for technical, environmental, or financial analyses; and (e) the allocable costs and expenses associated with services provided by Town officers and employees directly attributable to the planning for, and establishment of, the District.
2. Appropriation; Maximum Amount. The Town Board hereby appropriates the maximum sum of Twenty-Five Thousand Dollars (\$25,000) to pay such preliminary and incidental expenses. The Supervisor is authorized to allocate and expend such appropriations for the authorized purposes and to maintain proper accounts thereof.
3. Capital Nature of Costs. The Town Board hereby determines that the preliminary and incidental expenses authorized herein are of a capital nature in contemplation of the establishment of the District and may be financed, reimbursed, and assessed in accordance with Town Law Sections 202 and 209-b and Local Finance Law Section 11.00.
4. Advance of Funds; Reimbursement. Pending the establishment of the District and the financing of the capital project, the Town Board authorizes the advance of Town funds from the General Fund to pay the costs authorized herein. If and when the District is established, the Town shall be reimbursed in full from District funds or from the proceeds of bonds or bond anticipation notes issued for District purposes, for all such preliminary and incidental expenses, including the allocable costs and expenses of services provided by Town officers and employees.
5. Assessment Against the District. Upon the establishment of the District, all preliminary and incidental expenses authorized herein, including compensation and allocable overhead for services rendered by Town officers and employees in connection with the establishment of the District, shall be deemed capital costs of the District and shall be assessed, levied, and collected upon the properties within the District pursuant to Town Law Section 202, in the same manner and at the same time as other District assessments.
6. Consistency with Financing Statutes. The expenditures authorized herein are intended to be reimbursed from the proceeds of obligations authorized for the capital improvements of the District in accordance with New York State Local Finance Law Section 11.00, subject to compliance with all applicable requirements of the Local Finance Law.
7. Administrative Authorization. The Supervisor, with the assistance of the Town Attorney, Town Engineer, and any retained financial advisor, is authorized to take such actions and execute such documents as are necessary or desirable to carry out the intent of this resolution, including maintaining records sufficient to support reimbursement and assessment.

8. Permissive Referendum. The Town Board has determined that this resolution shall be subject to a permissive referendum as required by Town Law Section 209-b.

9. Notice of Permissive Referendum. The Town Board hereby directs the Town Clerk to publish a Notice of Permissive Referendum within ten (10) days of the date of this Resolution.

10. Severability. If any provision of this resolution is adjudged invalid or unenforceable, such judgment shall not affect or impair the validity of the remainder of this resolution, which shall remain in full force and effect.

This resolution shall take effect immediately upon its adoption.

I, Alicia Turenchalk, Town Clerk of the Town of Beekman, do hereby certify that the foregoing resolution was duly adopted by the Town Board at a meeting held on April 14, 2026.

Town Clerk: \_\_\_\_\_ Date: April 14, 2026

**RESOLUTION 04:14:26-16**

**Calling on Governor Hochul to Declare an “Energy State of Emergency” Related to Escalating Energy Costs**

WHEREAS, New York State’s energy costs are among the highest in the country, and

WHEREAS, New York State residents have been facing an escalating energy burden this winter due to escalating supply costs and government mandates contributing to all-time high and unsustainable energy costs causing financial hardship for our residents, businesses, farmers, and manufacturers, and

WHEREAS, delivery rates have increased, however they are set by the Public Service Commission and can only increase with its approval and on a schedule prescribed by such authorization. This authorization does not include sudden spikes in energy commodity costs which are market driven, and

WHEREAS, due to several factors including a colder than average winter, New York State’s lack of adequate energy supply has been a significant contributing factor to increased supply costs, and the strained supply has placed an undue burden on customers, and

WHEREAS, the New York Independent System Operator (NYISO) administers the markets under regulation by the Federal Energy Regulatory Commission (FERC) to ensure transparent price signals for all market participants, including utility companies who purchase supply on the market and then pass-through that supply charge to customers, and

WHEREAS, the Public Service Commission in October, 2025 noted, “a residential electric customer using 600 kWh per month is expected to pay about \$60 per month for supply this winter, and an average residential customer using 719 therms of natural gas can expect to pay an estimated \$224 per month, up 1.4% and 8% respectively, and

WHEREAS, during the months of January 2026, a typical NYSEG or RG&E residential customer saw supply costs increase 39% from this same period in 2025, and

WHEREAS, a typical NYSEG natural gas customer experienced a 72% increase in supply costs in February, 2026 as compared to February, 2025, and

WHEREAS, supply costs were significantly higher among time-of-use customers, which experienced a 75% increase in daytime supply costs and 87% increase in nighttime supply costs as compared to 2025, and

WHEREAS, New York State’s lack of energy generation regulation is placing a hardship on residents across the state which will only continue without change, and

WHEREAS, the need to make investments in our electric grid, increase supply for new economic development, and pay for new state mandated programs have been the primary drivers of increased delivery costs, and

WHEREAS, in addition to declaring an “Energy State of Emergency” the state should also require the Department of Public Service to produce a study analyzing cost growth from delivery and supply charges including evaluating the numerous state programs that are funded by ratepayers through their utility bills, and

WHEREAS, the Town of Beekman desires that the Governor declare an “Energy State of Emergency” to incentivize and mobilize state agencies, legislators and administrators to take immediate action to lower bills, place safeguards on utility bills to protect our consumers from extreme price spikes, initiate suspension of taxes,

fees, and surcharges on energy bills, and expedite the construction of base load generation and to that end urges the Dutchess County Legislature to call upon the Governor to do so,

NOW THEREFORE BE IT RESOLVED, that the Town of Beekman urges the Governor to declare an “Energy State of Emergency” to protect Beekman residents and all New York State ratepayers from extreme and unsustainable price spikes, promote stabilization of the power grid, and to promote affordable energy,

BE IT FURTHER RESOLVED, that the Clerk of the Legislature will forward certified copies of this resolution to Governor Hochul, Beekman’s state legislator representatives and the Clerk of the Dutchess County Legislature, and any other party deemed necessary and proper.

**CERTIFICATION OF THE TOWN CLERK**

I, Alicia Turenchalk, Town Clerk of the Town of Beekman, do hereby certify that the foregoing resolution was duly adopted by the Town Board at a meeting held on April 14, 2026.

Town Clerk: \_\_\_\_\_ Date: April 14, 2026

WHEREAS, the Town Board considers the use of Battery Energy Storage Systems (BESS) to be an emerging technology with known and reasonably anticipated unknown, risks to resident health, safety and welfare; and

WHEREAS, the Town Board of the Town of Beekman is charged with protecting the health, safety, and welfare of its residents and ensuring orderly development in accordance with the Town Comprehensive Plan and its ten enumerated land goals; and

WHEREAS, the Town Board finds that consideration of an amendment to the Zoning Code of the Town of Beekman addressing the placement and regulation of BESS within the Town is a necessary and prudent action (the “Action”); and

WHEREAS, the Town Board finds that the proposed amendment to the Town Zoning Code to regulate Battery Energy Storage Systems (BESS) is in conformance with the Town Comprehensive Plan; and

WHEREAS, the Town Board finds that the proposed amendment is compatible with the existing land use pattern within the Town, as outlined in Comprehensive Plan Land Use Goal #5, which encourages future development that minimizes negative impacts on natural resources, infrastructure, and neighboring uses in order to safeguard the health, safety, and welfare of the community; and

WHEREAS, the Town Board finds that the proposed amendment will prevent uses in certain districts that could create conditions inconsistent with adjacent and nearby districts and with the Town’s stated land use and community character goals; and;

WHEREAS, the Town Board finds that the proposed amendment will help avoid potential increases in demand on public facilities, including utilities, streets, and emergency services, such as impacts related to construction vehicles and fire protection services; and;

WHEREAS, the Town Board finds that the proposed amendment supports consistency with existing district boundaries and property conditions; and

WHEREAS, the Town Board finds that the proposed amendment is warranted by changes in battery storage and energy technology and the need to ensure public safety; and

WHEREAS, the Town Board finds that the proposed amendment will help maintain safe and appropriate living conditions in neighborhoods and the community by mitigating potential fire, traffic, and other environmental hazard risk associated with BESS facilities; and

WHEREAS, the Town Board finds that the proposed amendment will protect surface and subsurface water resources and reduce the risk of drainage issues; and

WHEREAS, the Town Board finds that the proposed amendment will maintain adequate light, air, and general environmental quality for adjacent properties; and

WHEREAS, the Town Board finds that the proposed amendment will help preserve property values and neighborhood character, and will support orderly development and prevent uses that could hinder improvements on adjacent properties; and

WHEREAS, the Town Board finds that the proposed amendment will ensure that no individual property owner receives special privileges inconsistent with the public welfare; and

WHEREAS, the Town Board finds that the proposed amendment addresses circumstances where certain BESS installations may not be appropriate for particular properties under existing zoning; and

WHEREAS, the Town Board finds that the proposed amendment is proportionate in scale to the needs of the neighborhood and the Town; and

WHEREAS, the passage of a local law amending the Zoning Code is to be referred to the Town Planning Board for a public hearing and comment within 60 days as well as to Dutchess County Planning for review and comment within 30 days; and

WHEREAS, the Action is deemed an Unlisted Action under SEQRA and appropriate for a Coordinated Review, with respect to which the Town Board intends to act as Lead Agency;

NOW THEREFORE BE IT RESOLVED that an introductory Local Law amending the Town Code as set forth in the attached proposed Local Law be and is hereby introduced for consideration by the Town Board; and

BE IT FURTHER RESOLVED, that copies of the aforesaid proposed local law be and are laid upon the desk of each member of the Town Board; and

BE IT FURTHER RESOLVED, that the Town Board shall hold a public hearing on said proposed local law to receive comment from the public on [at least 11 days after this resolution is adopted] Tuesday, April 28, 2026, at 7:00 pm or as soon thereafter as the agenda permits, in the Beekman Town Hall at 4 Main St. Poughquag, NY 12570;

BE IT FURTHER RESOLVED, that the Clerk publish or cause to be published a public notice in the official newspaper of the Town of Beekman of said public hearing at least five (5) days prior thereto; and

BE IT FURTHER RESOLVED, that the Town Clerk shall deliver a copy of the proposed local law to County Planning for review and to the Town of Beekman Planning Board for its review and recommendation; and

BE IT FURTHER RESOLVED, that The Town Board authorizes its Town Engineer to prepare an appropriate Environmental Assessment Form (EAF) as soon as feasible and submit it to the Town Clerk for inclusion in all referrals; and

BE IT FURTHER RESOLVED, that the Town Board declares its intent to act as Lead Agency; and

BE IT FURTHER RESOLVED, that the Town Clerk is directed to file this resolution and update the Town Zoning Code accordingly.

**CERTIFICATION OF THE TOWN CLERK**

I, Alicia Turenchalk, Town Clerk of the Town of Beekman, do hereby certify that the foregoing resolution was duly adopted by the Town Board at a meeting held on April 14, 2026.

Town Clerk: \_\_\_\_\_ Date: April 14, 2026

**TOWN OF BEEKMAN**  
**Local Law No. 2 of 2026**  
**A Local Law to Amend the Zoning Code of the Town of Beekman to Prohibit Certain**  
**Battery Energy Storage Systems**

Section 1. Legislative Intent

The Town Board of the Town of Beekman finds that:

- Battery energy storage systems (BESS) can present significant risks related to fire safety, emergency response capacity, environmental impact, and impacts on neighborhoods.
- The Town's existing zoning law does not adequately address the siting, installation, and operation of medium and large BESS.
- A prohibition of medium and large BESS as specified is necessary to protect the public health, safety, and welfare of the residents of Beekman.
- Providing for zoning regulation of BESS technology is in the best interest of the health, safety and welfare of the residents of Beekman and is consistent with the powers granted to the Town by New York State Town Law and Municipal Home Rule Law.

---

Section 2. Amendments to Zoning Code §155.

Amend §155-4, to include:

Definitions

Battery Energy Storage System (BESS):

- 1) A system of batteries or other energy storage media and associated equipment that: a. stores electrical energy;
- 2) designed for grid support, utility usage, or commercial energy management, including but not limited to lithium-ion battery installations.

This definition does not include small residential systems serving a single dwelling with a capacity of 50 kWh or less.

BESS Tier Classifications:

- 1) Small BESS. Any battery energy storage system with an aggregate rated energy capacity  $\leq 50$  kWh used for commercial, residential or accessory purposes.
- 2) Medium BESS. Any battery energy storage system with an aggregate rated energy capacity  $> 50$  kWh to  $\leq 2,000$  kWh.

3) Large BESS. Any battery energy storage system with an aggregate rated energy capacity > 2,000 kWh or primarily serving commercial/utility purposes---

A new Section 155-13 shall be added as follows:

#### BESS Accessory Uses

A. Prohibited BESS Uses Battery Energy Storage Systems (BESS) classified as Tier 2 or Tier 3, including their construction, installation, operation, and expansion are prohibited in all zoning districts of the Town of Beekman. This prohibition applies to the placement of new BESS facilities and any increase in capacity of existing facilities above Tier 1 thresholds.

#### B. Permitted BESS Accessory Uses.

1) Tier 1 BESS may be permitted as an accessory use to residential or commercial structures in any zoning district and shall be for on-site energy use only. Tier 1 systems are not permitted to serve off-site properties or to provide energy for sale or distribution, and are subject to the following provisions:

2) Tier 1 BESS shall not be installed in any area designated as a 100-year or 500-year floodplain on FEMA maps or any other flood hazard area designated by the Town;

3) Compliance with all applicable provisions of the New York State Uniform Fire Prevention and Building Code and the New York State Fire Code, NFPA 855: Standard for the Installation of Stationary Energy Storage Systems, as amended;

4) Battery energy storage systems shall be commercially manufactured, listed and labeled in accordance with UL 9540.

C. Administrative BESS Permits. Tier 1 projects require an administrative permit from the Building Department, and applicants shall provide:

1) An Amended Site Plan reflecting the installation and the surveyed property as well as identifying neighboring properties; and

2) No Administrative Permit shall be issued by the Building Inspector without proof of a third-party electrical inspection for all electrical work.

3) If the Building Inspector deems the application eligible for an Administrative BESS Permit, the Building Inspector shall refer the permit to the Planning Board for the limited purpose of confirming that the Amended Site Plan meets the requirements for approved Amended Site Plans in the Town of Beekman. The application for Amended Site Plan approval shall be so limited and shall follow the typical Planning Board procedure for consideration of an Amended Site Plan review and approval, except that no public hearing shall be required under this sub-section.

D. Notwithstanding the foregoing, if in the discretion of the Building Inspector, any Tier 1 project has special circumstances related to the installation or the site upon which it is proposed which pose any heightened threat to the health, safety and welfare of residents which render it inappropriate for the expedited Administrative Permit, the Building Inspector shall refer the project to the Planning Board in writing providing the Building Inspector's specific concerns.

- 1) Upon a referral application for Amended Site Plan approval to the Planning Board, the application shall be referred to the Town of Beekman Town Board and the Town of Beekman Fire District.
- 2) The Planning Board shall notify the Town Board and Fire District of the date of any public hearing or continued public hearing on the Amended Site Plan application.
- 3) The Town Board and Fire District shall have 45 days from the close of the Public hearing to provide its recommendation or comments on the application. If either the Town Board or Fire District shall fail to provide such comment or recommendation within that time frame, the Planning Board may take action on the Amended Site Plan according to its discretion. If the Planning Board receives comment or recommendations from the Town Board and/or Fire District in a timely manner and fails to adopt any comment or recommendation in an approval resolution, it must make express written findings as to why in its discretion such non-inclusion was appropriate.
- 4) The Planning Board shall review and consider the application for Amended Site Plan and BESS approval by conducting a review limited to the specific concerns identified by the Building Inspector in such referral.
- 5) No Amended Site Plan approval or BESS permit shall be granted unless and until the Town Board and Fire District shall have either provided its recommendation or comment to the Planning Board or failed to do so within the prescribed timeframe.

#### E. Decommissioning and Removal

- 1) Any Battery Energy Storage System shall be removed from the property when it has reached the end of its useful life, has been abandoned, or has not been in active use for a period of twelve (12) consecutive months.
- 2) Removal shall include all batteries, cabinets, mounting systems, electrical equipment, foundations, and associated infrastructure, and the restoration of the site to its pre-existing condition, reasonable wear and tear excepted.
- 3) The property owner and system owner, jointly and severally, shall be responsible for all costs associated with decommissioning and removal.
- 4) If the property owner or system owner fails to complete removal within ninety (90) days of written notice by the Town, the Town may cause such removal to be completed and assess all costs against the property as a lien and/or special assessment.

#### E. Enforcement.

- 1) Violations of this local law shall be subject to enforcement as provided in the Town of Beekman zoning code, including fines, stop-work orders, and injunctions.
- 2) Any BESS project that is not fully installed, inspected and operational as of the effective date of this law must comply with this law.

---

Amendment to Attachment 155 Attachment 3 as follows:

Attachment 155 Attachment 3 shall be amended to set forth one new row and all columns now set forth, with that new row under the heading “Tier 1 BESS”, followed by a “P” in every district.

\*It is the express intent of this local law that the notation now set forth at the top of Attachment 155 Attachment 3 saying: “No entry means that the use is not permitted” shall apply to Tier 2 and Tier 3 BESS.

---

#### Section 7. Severability

If any provision of this law is held invalid by a court of competent jurisdiction, such invalidity shall not affect the validity of the remaining provisions.

---

#### Section 8. Effective Date

This Local Law shall take effect immediately upon filing with the New York State Department of State.

WHEREAS, the Town Board of the Town of Beekman (the “Town Board”) authorized the Superintendent of the Town of Beekman Highway Department to acquire one (1) 2025 Ford F-600 Super Duty, 4x4, Regular Chassis for \$68,522.50 (the “Equipment”); and

WHEREAS, the Town Board has determined it appropriate to transfer \$68,522.50 from the General Fund to the Highway Machinery Reserve Fund (the “Reserve Fund”) to fund the acquisition of the Equipment; and

WHEREAS, it is determined that expenditure of monies from the Reserve Fund is subject to permissive referendum pursuant to Sections 11.00(a)(28) and 35.00 of the New York State Local Finance Law.

NOW, THEREFORE, BE IT RESOLVED by the Town Board of the Town of Beekman as follows:

1. Transfer of Funds. The Town Board hereby authorizes the transfer of \$68,522.50 from the General Fund to the Reserve Fund.
2. Expenditure of Funds. The Town Board hereby authorizes the expenditure of the funds from the Reserve Fund to acquire the Equipment.
3. Permissive Referendum. The Town Board has determined that this resolution shall be subject to a permissive referendum as required by Sections 11.00(a)(28) 35.00 of the Local Finance Law.
4. Notice of Permissive Referendum. The Town Board hereby directs the Town Clerk to publish a Notice of Permissive Referendum within ten (10) days of the date of this Resolution.
5. Severability. If any provision of this resolution is adjudged invalid or unenforceable, such judgment shall not affect or impair the validity of the remainder of this resolution, which shall remain in full force and effect.

This resolution shall take effect immediately upon its adoption.
